Senior front-end developer. We offer a rewarding and exciting professional experience and opportunity to develop your career in a highly competitive international environment.

Senior front-end developer

Location: Krakow, Poland

Role Purpose:

We are on the lookout for an ambitious, true problem-solver with strong JavaScript background to join our team in creating the best trading platform together for our client around the world.

We hope you enjoy aiming for technical supremacy and growing together along with embracing everyday challenges to build a digital product

Scope of Responsibilities:

- Perform detailed requirement, design and code reviews to ensure thorough due diligence is applied.
- Understand individual business requirements in order to design, develop and test effective solutions.
- Understand in detail the business operational process both before and after the impact of any software changes.
- Implement test and behavior driven approaches and provide support to QA in both manual and automated testing.
- Adhere to and enhance the firm's compliance with applicable laws, regulations and codes of conduct in all jurisdictions in which the Firm conducts business and which have an impact on its business.
- Work to identify risks and enhance control across the business.

Skills & Experience required:

- Good understanding of core JavaScript.
- A true problem-solver.
- Proficiency one of the well-known frameworks, like Angular or React.
- An open and curious mind - you're Keen to experiment and see opportunities where others don't.
- Keen to learn new skills that go beyond your technical skills, master the ones you already know and share this knowledge with others.
- Act as a true authority in frontend-related matters and promote best practices across the organization.
- Ability to communicate in English on a daily basis.

Offer:

- Work in a startup-like environment that encourages ideas and creativity
- A team of experienced developers helping each other improve their skills
- Ability to choose the equipment you work with
- Standing desk and ergonomic chair
- Spacious and cozy office space in the heart of old Kraków
- Flexible working hours and the possibility to work remotely
- Competitive benefits package, including health care and gym pass (Multisport)
- Kitchen full of coffee, tea, snacks, and fresh fruit
- Salary in line with the market
- Co-working, mentoring and personal development
