

We are a technology recruitment partner focused on search and selection of IT experts internationally. Currently, we are looking for an accomplished experts for the role of Principal Software Developer We offer a rewarding and exciting professional experience and opportunity to develop your career in a highly competitive international environment.

Principal Software Developer

Location: Lodz, Poland

Job Description:

We are responsible for developing custom solutions based on our field-tested GIS products offering. Most of our biggest customers need tailored solutions and the team we are recruiting to takes care of addressing those needs. As a member of the Development Services team, you will have an opportunity to use your expertise in engineering to architect, develop and deliver client apps (web and mobile) for customers all over the world, by writing high-quality code.

Responsibilities / Accountabilities:

- ◆ Development of responsive UIs by writing high-quality, clean code
- ◆ Development of unit tests
- ◆ Actively participate as a Scrum Team member
- ◆ Share knowledge and interact with other teams (development, QA, support)
- ◆ Contributing to constant process improvement

Professional Qualifications/ Experience:

- ◆ Experience in software development 7+ years
- ◆ Good skills in object-oriented programming
- ◆ Knowledge of HTML, CSS, XML, JSON, Mercurial or Git
- ◆ Good knowledge of unit, functional and integration testing
- ◆ Fluent communication in English

Personal Skills

- ◆ Willingness to acquire new competences
- ◆ Communicative team players, yet self-sufficient
- ◆ Problem solving and focused on code quality mindset

Added Value

- ◆ Knowledge of .NET/C#, JavaScript
- ◆ Experience in Continuous Integration (Maven, Npm, Jenkins)
- ◆ Analytical and math skills (algorithm analysis, graph theory)
- ◆ Experience in Agile development (SCRUM)
- ◆ Knowledge of GIS topics

Offer:

- ◆ Stable contract of employment
- ◆ Possibility of remote work
- ◆ Sports package and private health care
- ◆ Group life insurance
- ◆ Good working atmosphere
- ◆ Working in international environment

Interested candidates should send their resume (CV) to magdalena.wielgos@itpuzzle.com.pl with " **Principal Software Developer**" in the subject line.
