Location: Warsaw- remote

Scope of Responsibilities:

Our Product Management team is seeking an experienced Product Manager to help scale our applications and to fuel our expansion. In this role, you will report to the Group Product Director and participate in the evolution and creation of products and features within our Client Product Suite from conception to launch.

Scope of Responsibilities:

- ◆ Own an area of the product and be responsible for driving product evolution and innovation;
- ◆ Participate in overall product strategy, including researching and developing requirements for existing products;
- ◆ Elicit business requirements for current and future product functionalities by participating in user research supported by direct contact with users;
- ◆ Work closely with customers and stakeholders and cross functional teams;
- ◆ Work closely with developing team: Designers, Engineers, SME;
- ◆ Participate in defining and analyzing qualitative and quantitative data that drives the success of our products;
- ◆ Bring insights from our product's data and analytics to inform decision-making.

Skills & Experience required:

- ◆ 5+ years Product Management experience at a software company;
- ◆ You are familiar with Agile methodologies and have an understanding of modern web/SaaS technologies and systems;
- ◆ You communicate effectively and can act as the liaison between various stakeholders in the business including design and technical teams;
- ◆ You show curiosity and possesses an appreciation for thinking outside the box;
- ◆ You have experience and passion for designing an engaging user experience;
- ◆ English at native speaker level (an additional European language is a strong advantage);
- ◆ Relevant university degree.

Offer:

- ♥ challenge, opportunities to exchange skills within multinational team
- ♥ ability to work in an autonomous way and in an environment where your ideas are valued
- ♥ interesting trainings
- ♥ health care
- ♥ Multisport card
- ♥ French classes
- ♥ flexi-time and home-office
- ♥ competitive salary aligned with experience
- ♥ casual and very friendly environment
- ♥ possibility to work in other Client location
