

We are a technology recruitment partner focused on search and selection of IT experts internationally. Currently, we are looking for an accomplished experts for the role of . Product Owner. We offer a rewarding and exciting professional experience and opportunity to develop your career in a highly competitive international environment.

## Product Owner

Location: remote, Warsaw (Poland)

### Job Description:

You will directly contribute (as a part of a cross-competence team) to conceptual envisioning, design & development of a unique, software platform that has defined (& still drives the overall direction) of a completely new industry - CSR. In a highly collaborative environment you'll take part in brainstorming new ideas, prototyping & continuously validating them against ever-changing market reality - to drive the platform evolution in completely new ways that couldn't have been predicted up-front.

### Scope of Responsibilities:

- ◆ As a product owner, be the functional referent of your team
- ◆ Manage your backlog based on priorities to deliver the maximum of values
- ◆ Work closely with product management to understand business requirements but also to build vision of module(s) you are in charge of
- ◆ Work closely with UX/UI team to provide first class interface
- ◆ Translate functional, product, or business requirements into user stories.
- ◆ Work closely with business users, testers and development team during QA stages.
- ◆ Report status to stakeholders and management on a regular basis

### Skills & Experience required:

- ◆ Bachelor, Master of Engineering in computer science field or other relevant degree.
- ◆ 2+ years working experience as a product owner ideally in the context of SaaS Web application.
- ◆ Strong analytical and organizational skills
- ◆ Highly professional written and oral communication skills in English as well as interpersonal skills required

### Offer:

- ◆ challenge, opportunities to exchange skills within multinational team
- ◆ ability to work in an autonomous way and in an environment where your ideas are valued
- ◆ interesting trainings
- ◆ health care
- ◆ Multisport card
- ◆ French classes
- ◆ flexi-time and home-office
- ◆ competitive salary aligned with experience
- ◆ casual and very friendly environment
- ◆ possibility to work in other Client location
